About AADB

The American Association of Dental Boards is a national association that encourages the highest standards of dental education. The AADB promotes higher and uniform standards of qualification for dental practitioners. Membership is comprised of boards of dentistry, advanced education boards, present and past members of those boards, board administrators, board attorneys, educators, and oral health stakeholders.

Our Mission

To serve as a resource by providing a national forum for exchange, development, and dissemination of information to assist dental regulatory boards with their obligation to protect the public.

About AADB's Meeting

The AADB Meeting provides an excellent forum for keeping up to date with state board concerns. Programs are designed to allow opportunities for interaction among all participants, including board members, dentists, therapists, dental hygienists, educators, board attorneys, and dental specialty associations. Panels and small discussion groups exchange ideas and information. Participants take away valuable information on current issues and all aspects of dental regulation.
