

About the Meeting

Programs are designed to allow opportunities for interaction among all participants, including board members, dentists, dental hygienists, dental therapists, assistants, educators, board attorneys, and dental specialty associations. Panels and small discussion groups exchange ideas and information. Participants take away valuable information on current issues and all aspects of dental and dental hygiene regulation.

About AADB

The American Association of Dental Boards is a national association that encourages the highest standards of dental education, promotes higher and uniform standards of qualification for dental practitioners, and advocates uniform methods in the conduct and operation of dental examining boards. Membership is composed of boards of dentistry, advanced education boards, present and past members of those boards, board administrators, board attorneys, educators, and stakeholders.

Our Mission

To serve as a resource by providing a national forum for exchange, development, and dissemination of information to assist dental regulatory boards with their responsibility to protect the public.

WHY AADB?

As the national representative of state/territory dental boards, the AADB is a group of influential decision-makers who should know you and your company or organization. You will be well-positioned to connect with important stakeholders, increase your visibility with your target audience, and share your expertise and thought leadership. There is no better investment in your marketing budget when it comes to connecting with influencers and decision-makers. Sponsorship packages can be tailored to fit your objectives and budget.

WHO IS AADB?

AADB is a national forum of dental professionals representing all states and U.S. territories. More than 90% of AADB members are practicing dentists, hygienists, or assistants.

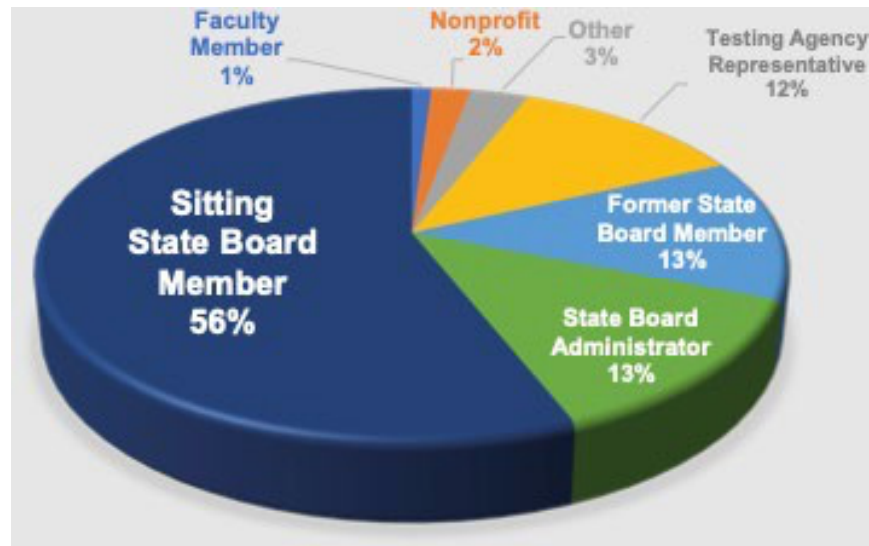

Our Members:

- Routinely sit at policy and decision-making tables
- Are involved in changes to dental practice acts that could affect your company
- Have a wide circle of influence and are sought after for opinions
- Take company information back to boards, schools and dental practices

WHAT CAN I EXPECT?

- A forum to introduce your organization's brand and message
- An opportunity to create goodwill with a highly respected, influential group of dental professionals and educators
- Insights about trends in dentistry that may impact your organization's future focus
- Simplicity and low cost
