Return to Asheville

AADB held its national meeting in Asheville, North Carolina in 1903.

ANGLE'S REGULATING APPLIANCES

HEAD GEAR
Patented July 27, 1904

This Head Gear is beautifully made, is adjustable to any size of head, and completely equalizes the pressure by its proper distribution, thus overcoming the evils of localized pressure, and increasing the efficiency of the appliance tenfold.

Used in conjunction with the Traction Bar and Wire Arch it not only drawing in protruding upper incisors; also, to support the Chin Retractor in cases of mesial protrusion of the lower arch.

Nickel
PRICE \$4.00

CHIN RETRACTOR

Used in conjunction with the Traction Bar and Wire Arch it not only drawing in protruding upper incisors; also, to support the Chin Retractor in cases of mesial protrusion of the lower arch.

Nickel

PRICE
CHIN RETRACTOR (WITHOUT HEAD GEAR), EACH \$2.50

Dr. E. H. ANGLE'S BRASS LIGATURE WIRE FOR REGULATION AND RETENTION

The Brass Wire here offered is so far superior, in Dr. Angle's opinion, to any other article used that it vastly increases the value of the appliances to which it is ordinarily an auxiliary. There are three diameters of this wire, the two largest for regulating, the smallest for retention purposes. These wires are not like lead which gives the operator the opportunity to put a firm grasp with each hand, the ends to be cut off after the work is made. Every size of wire is made up into a strand, and the three strands braided loosely together, with both ends free, so that one particular wire may be pulled out, without disturbing the others. Each strand contains about 150 pieces of the fine wire, 130 of the medium, 100 of the coarse. The leads are put up in boxes.

PRICE PER BOX \$1.00

After 119 years, we return to beautiful Asheville in the fall, a color-filled time to experience the wonderful autumn and attend an exciting meeting. The presentations will address issues that concern our state and territory boards.

Interestingly, some of the topics of the 1903 meeting were practice standards, educational requirements for dental schools, and the licensing of new graduates. Seems we still have these same issues in 2022. We, as board members, certainly understand that change is constant, and we must deal with these same issues as they evolve over time.

Our annual meeting in Asheville is the ideal venue for our members to network and collaborate. We look forward to seeing you in October when the AADB presents great speakers as well as in-person networking opportunities.

WELCOME TO ASHEVILLE

Dear AADB Members,

I have lived in Asheville for seven decades now – and the natives are starting to accept me. October is the prime time to visit here because the mountain leaves are changing colors and the “leaf lookers” abound.

I will endeavor to recommend a few of my favorite places here. One of the most famous attractions in the area is the Biltmore Estate – America’s largest privately owned home. A tour of the House, the gardens, the winery with wine tastings, and several excellent restaurants are times well-spent. Please visit <https://www.biltmore.com> for more information. Asheville’s most famous literary figure is Thomas Wolfe. His boyhood home and visitors’ center are around the corner from the Renaissance Hotel. More information may be found at <https://www.wolfememorial.com>. If you would like to visit one of Asheville’s premier resorts, the Grove Park Inn is a must. A few of their amenities include a golf course designed by Donald Ross in 1926, a world-class spa, excellent dining, or just enjoying the view with a cocktail on the Sunset Terrace. More information can be found at <https://www.omnihotels.com/hotels/asheville-grove-park>.

A few restaurants within walking distance (less than a half mile) of the Renaissance Hotel are some of my favorites. An excellent casual French restaurant is Bouchon <https://www.ashevillebouchon.com>. A casual historic restaurant is Pack’s Tavern <https://www.packstavern.com>. An eclectic casual restaurant is Sovereign Remedies <https://www.sovereignremedies.com>. A famous Spanish Catalan restaurant downtown is Curate <https://curatetapasbar.com>. Also, near Curate is Posana whose website is <https://www.posanarestaurant.com>.

In Biltmore Village (a cab or Uber ride) is The Red Stag Grill in the Grand Bohemian Hotel <https://www.kesslercollection.com/bohemian-asheville/dining/>. Also, in Biltmore we have Ruth’s Chris Steak House <https://www.ruthschris.com/restaurant-locations/asheville>. Another interesting restaurant in Biltmore is Fig Bistro <https://figbistro.com>.

Asheville is an art destination because we have many art galleries <https://www.riverartsdistrict.com>. We are also known as Beer City USA, because there are more breweries per capita than any other city. Sierra Nevada has their East Coast headquarters near the airport here. Some people describe it as “Disneyland for adults”. <https://sierranevada.com>.

As I mentioned earlier, this is a busy time in Asheville, so you might be well-advised to make reservations for wherever you wish to visit well in advance of your arrival to Asheville and maybe plan to stay an extra day or two.

I look forward to seeing all y’all in October here in Asheville.

American Association of Dental Boards

About AADB

The American Association of Dental Boards is a national association that encourages the highest standards of dental education. The AADB promotes higher and uniform standards of qualification for dental practitioners. Membership is composed of boards of dentistry, advanced education boards, present and past members of those boards, board administrators, board attorneys, educators, and oral health stakeholders.

Our Mission

To serve as a resource by providing a national forum for exchange, development, and dissemination of information to assist dental regulatory boards with their responsibility to protect the public.

About AADB's Annual Meeting

The AADB meeting provides an excellent forum for keeping up-to-date with state and territory dental board concerns. Programs are designed to allow opportunities for interaction among all participants, including board members, dentists, dental hygienists, dental assistants, educators, board attorneys, and dental specialty associations. Panels and small discussion groups exchange ideas and information. Participants take away valuable information on current issues and all aspects of dental and dental hygiene regulation.

ADA CERP® | Continuing Education
Recognition Program

The American Association of Dental Boards is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The American Association of Dental Boards designates this activity for 8.25 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

Covid Precautions:

Health and Safety

The health and safety of meeting attendees is our top priority. Attendees are encouraged to familiarize themselves with COVID-19 guidelines provided by the CDC and the appropriate state and local public health authorities in areas they are traveling. Please note that the AADB is following all state and local public health requirements related to COVID-19. **At this time, the AADB is encouraging vaccinations, social distancing, and the use of masks; and will continue to evaluate the circumstances as we get closer to the event.**

Please monitor your health when you reach Asheville and while attending the meeting. If you develop symptoms of sickness, please do not attend the sessions and email srojas@dentalboards.org or text: 312-718-0843. **If state and local health orders change prior to the meeting, we will communicate with all meeting attendees through email.**

Unauthorized recording policy

The American Association of Dental Boards is committed to providing a professional environment that is open to the free expression of views and ideas and cultivating a learning community. Recording conversations, phone calls, images, or organizational meetings with any recording device (including but not limited to a cellular telephone, PDA, digital recording device, digital camera, etc.) unless all parties to the conversation give their consent in advance is hereby prohibited. A violation of this policy will result in corrective action which can include being removed from the conference.
